

South Central Illinois Shorthorn Sale

featuring the dispersal of the
Allen Strader Herd

this show winner sells

A SALE TO REMEMBER —

Friday, March 17, 1972 -- 12:30 P.M.

SHELBYVILLE, ILLINOIS

Our sale this year features the complete dispersion of the Allen Strader & Family Shorthorn Herd. The sale of the cattle is made necessary by the sale of the farm Allen lives on. This is an excellent herd of cattle with excellent recent show records.

This past summer they had many class winners at the Illinois and Indiana State Fairs, including championships at Indiana and premiere breeder awards.

A real feature of this sale is the white bull calf that has won the Junior Calf Class so easily at the state fairs, the International and the American Royal. He was Calf Champion at the International this past year! You have a real buying opportunity here!

We are sorry to see the Strader herd go, but we expect them to eventually return to the cattle business. Come and help them to a successful dispersion.

MARCH 17, 1972

Sale starts at 12:30 p.m. CST

SHELBYVILLE, ILLINOIS

At the Sale Pavilion on the east edge of town

Auctioneer Merril Anderson, Broadlands, Ill.

Ringmen Dwayne Bauer and a Rep. of the
Shorthorn World

BREEDING DATES: A list showing service dates and other vital information will be provided sale day. All information from the auction block takes precedence over data in the catalog.

GUARANTEE: All cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n. A condition of this guarantee is that notices of failure to breed must reach the seller within six months of the sale. All stock is at the buyer's risk as soon as bid off, but every precaution will be taken for their safety. The terms of the sale are cash. Settlements must be made with the clerks at the conclusion of the auction and before any cattle are removed from the premises.

HEALTH: All cattle selling will comply with the health regulations of the state and health certificates will be provided with each lot sold. All bulls selling will have passed a negative test for brucellosis within 30 days of the sale. All females will have passed a negative brucellosis test within 30 days of the sale except vaccinated females 24 months or younger on sale day. All animals selling will have passed a negative tuberculosis test within 30 days of the sale.

LIABILITY: The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Those working on the sale — including the sale manager and his staff, the auctioneers, clerks and ringmen — were hired for specific promotional and clerical tasks not connected with the condition of the premises. They accept no liability for the contract or for any accident that may occur. Accidents at cattle sales are very rare, but all who attend do so strictly at their own risk. Neither the owners, the helpers or the sale manager can be responsible for any accidents but they will make every effort to provide for the safety and comfort of those attending. Where footnotes appear in this catalog, they were furnished by the owners.

MAIL BIDS: Will be carefully handled by the sale manager. Please direct them to Jerry Crickman, Hammond, Illinois, Telephone Cerro Gordo 763-6114 or Dean Wilson, Findlay, Illinois, Telephone Findlay 756-8828.

Lots 46-55

Joe S. Daugherty

Ten cows with six calves at foot, the rest heavy springers. These are all young, useful cattle that are purebred, but unregistered.

Joe always uses the best registered Shorthorn bulls from breeders such as Mathers and Melbourne.

These are cattle that have size — some weighing 1,200 pounds.

Lots 56-66

Ten head of heavy springer two-year-old heifers, bred the same way as the cows.

These will be sold in lots to suit the buyers.

A buying opportunity for the commercial man who wants good ones.
